* Cell Phones-Camp Sankanac has a no cell phone/no call home policy. Parents will be contacted if there is an emergency, Inappropriate T-shirts, All Electronics and battery-operated gadgets, Bad Attitudes- Camp Sankanac has a no tolerance policy for bullying

Arriving/Pick up & General Information

(We will assist with transportation to and from the camp if requested)

For all campers with the last names that begin with the letters A-L, please arrive at camp at 3pm. For those whose last names begin with the letters M-Z, please arrive at camp at 4pm. Parents and campers remain in car until initial health screening is complete (Main Parking Lot).

Initial health survey includes: temperature taken of camper, completing health survey for each camper & head lice check for camper. Campers who do not pass the initial health screening will be asked to leave camp. Parents/Guardians with campers who have medications, food allergies or special dietary needs will be required to enter their medication/allergy/diet information online prior to arrival at camp. Please bring medications in their original as prescribed bottles (not pre-sorted unless pre-sorted by your pharmacist). Please consider leaving non-essential vitamins at home.

Once initial health screening is complete, families will be directed to appropriate villages for check in, medication or allergy consult/check in with nurse and further instructions from their Village Director in terms of moving into their cabin.

Aside from registered campers, guests will not be permitted inside the camper cabin at drop off. Counselors will assist with luggage and help the camper settle in. Specified bathrooms in the main camp area will be available for parent/guest use. Only campers/counselors are allowed in camper bathrooms. Camp Store will be closed on Sundays, but families are welcome to shop at the store from 8:15-9:15am on Saturday during pick up.

Swimming Test: Although the swimming test is usually a part of the check in process on Sundays, this year the swim test will be done later in the evening on Sunday after parents have gone home. The swim test consists of the campers swimming the width of the pool and back and showing our lifeguard their abilities in terms of treading water. This will help our lifeguard determine what areas of the pool that the camper can and cannot swim in. If the camper does not pass the swim test, he/she can still swim in the shallow end of the pool and they will be encouraged to take our morning swim elective where they will be taught the basics of swimming.

Camper mail: Camper mail can be dropped off inside the front door of the office building on the table to the right- please write the camper's name and delivery day on the front of the package/envelope. Please do not include any homemade food or drink items in any packages dropped off or sent to camp. If you would like to send food/drink items, please be sure they are prepackaged. You can also order food/drink items or other fun items by placing an online order for a Sankanac Camper Care Package through our website. These can be ordered from Sunday-Friday at 3pm the week your child is here.

Pick Up... 8:15AM-9:15AM SATURDAY MORNING All campers must be picked up by 9:15am, no exceptions
