Re-Dedication Oath

Holiness to the Lord!

Holiness to the Lord!

Holiness to the Lord!

I () of () Chapter # ()

Of my own free will and account in the presence of **Almighty God and my Beloved Holy Royal Arch Companions** do hereon continue to dedicate my belief, love, and support to principles and tenants of a Holy Royal Arch Mason.

Whereas I further dedicate that I pledge my love to the completion of the Temple for the Glory of God and will not dishonor my Mark nor present any work other than my own and within the square of my character.

Whereas I further dedicate that as a four-fold cord is not easily broken, I will forever assist any Companion that may be frail or infirmed always remembering the tenants of the Square.

Whereas I further dedicate that I will forever dispense light and knowledge always outshining my former self, with the openness of an uncaged heart, without question nor fear.

Whereas I further dedicate that the guidance of the Grand Omnific Word will be my guide. Then just as 3 x 3 will represent my exaltation and the completion of my Temple, I will give my devotions for the relief of my Companions and praise to the Grand Artificer of the universe.

To all of this and all within my heart, I rededicate myself until the touch of the dread messenger causes only remembrance of my travels side by side with my Companions, the love and stories shared through labors and enlightenment, as the road so smooth was traveled.

This I rededicate as we celebrate the 203rd year celebration of this the "Mother Jurisdiction" of Holy Royal Arch Masons - PHA of these United States of America, and the Bahamas.

Be Blessed with the Love of the Grand Artificer!

Given under my hand and seal,

The month of May, The Year of our Lord 2023 AD,
